Notes: <sup>1</sup> Numbers Served represent consumers served by LAC-DMH in Short Doyle/Medi-Cal Facilities. This count does not include consumers served in Fee-For-Service Outpatient facilities, Institutional facilities such as jails and probation camps as well as Inpatient facilities, including Fee-For-Service Inpatient Hospitals. <sup>2</sup> Penetration Rate = Number of Consumers Served / Numbers of People Estimated with SMI & SED. <sup>3</sup> When an ethnic group is a smaller proportion of the overall population in that Service Area, penetration rates exceed 100% because of the disproportionate geographic distribution of that particular ethnic group in that Service Area.
